FREEDOM Kids

Welcome to Freedom Kids

Dear Parent,

Welcome to Freedom Kids. We are so excited to have the opportunity to serve you and your family today. From the design of our space to our check-in system to our curriculum, we want kids to feel safe – physically, emotionally and spiritually. We are dedicated to creating an experience that is fun and exciting for kids and is a highlight of their week. We offer an environment where children have an opportunity to begin a life long relationship with Jesus and learn what it means to live out their faith everyday.

We do all that we can on Sundays to teach your children and to create an irresistible experience for them. However, you are the most important influence in a child's life. We believe it is our role to come along side to support you as you raise children in today's world.

Please feel free to contact us if you have any questions or concerns regarding the children's ministry here at Freedom Fellowship. We hope you will come back and visit us again soon.

Blessings!

Ministry Vision

Our goal at Freedom Fellowship is to see the children, from infants to 6th graders, receive ministry in body, soul, and spirit. It is our focus to help them "experience Jesus". We desire to see the children enjoy their time at church, learn truths from God's Word, and experience the love of Jesus, and we desire to see parents actively involved with their children, instilling the principles of God's Word into their lives.

Serving One Another

Freedom Fellowship is a place where God's people eagerly seek His kingdom and, through His love, generously give of themselves. Our nurseries are staffed with parents, grandparents, and teens who have answered the call of serving one another through the love of Christ. All workers are thoroughly screened and undergo background checks to ensure the safety of your children. We have many ways you can assist on our ministry team. Please ask for a Ministry Partner Handbook if you are interested in serving with Freedom Kids.

Information for Parents

- Children must be checked in at the Freedom Kids check-in station before going to their classrooms.
- When checking your child in, please let us know important information such as allergies, etc.
- Please keep your child with you if he/she has any contagious symptoms such as fever, diarrhea, cold with severe cough and nasal discharge, impetigo, or rashes. Our workers are instructed to not accept a child who displays any of these symptoms.
- If your child needs you for any reason, his/her number will appear on the screens in the auditorium. Please come to your child's classroom as soon as possible.
- You MUST use the claim tag to pick up your child from class. Children will not be released to anyone without the claim tag.
- Please pick up your child immediately after the service.
- Please label your child's diaper bag, bottle, pacifier, etc.
- Because of propriety, we do not change diapers once a child reaches 3 years of age.
